## WHOOO'S!

### News from Mrs. Nancy's Desk

Hello Parents,

Welcome to our second month of school! I'm looking forward to the remaining months and working with your students to help them learn and grow. We have just completed our beginning year benchmarking and are beginning to place students within the tiers of instruction. It is imperative that your student is attending school all day everyday so we can attempt to make up for our learning loss from last school year. This year we are delving deep into analyzing our standards, and instruction is going beyond the expectations in order to help revive our losses. We have great, smart students and teachers, and I have no doubt we can bounce back. But, it is going to take all of us. Please be sure to send your student to school every day, try to make appointments after school hours and/or before school hours. Together, we've got this! I appreciate all you do for our school and our students! If you have any questions for me, feel free to reach out to me at

423-784-6866.

Thank you,  
Mrs. Nancy

### Classroom News:

**Mrs. Destany Osborn:**  
**Physical Education**

I can't believe we have already been in school for 1 month! I hope everyone is staying well and being safe! Specials are going great! Just a reminder that we have gym on Monday, Wednesday, and Thursday. On Tuesday we will have computer lab and Friday we will be having music so we will not be in the gym, unless the lab is being utilized. Please make sure your children wear or bring tennis shoes on the days we have gym class!

Happy September!  
Love, Mrs. Destany Osborn
